**FIRST SUPPLEMENTAL
DECLARATION OF JOSEPHINE GARTRELL, ESQ.
IN SUPPORT OF DEBTORS' APPLICATION FOR ENTRY OF AN
ORDER (I) AUTHORIZING THE RETENTION AND EMPLOYMENT OF
WILLIS TOWERS WATSON US LLC AS COMPENSATION CONSULTANT,
EFFECTIVE AS OF JULY 13, 2022, AND (II) GRANTING RELATED RELIEF**

I, Josephine Gartrell, Esq., declare under penalty of perjury that the following is true and correct to the best of my knowledge, information, and belief.

1. I am a Senior Director of Willis Towers Watson US LLC ("WTW"), with offices located at 800 North Glebe Road, Floor 10, Arlington, VA 22203.

2. I submit this supplemental declaration in the cases of the above-captioned debtors (collectively, the "Debtors") to supplement the disclosures set forth in my original declaration dated May 30, 2023 (the "Initial Declaration"),² which was filed in support of the *Debtors'* *Application for Entry of an Order (I) Authorizing the Retention and Employment of Willis Towers*

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Celsius Network LLC (2148); Celsius KeyFi LLC (4414); Celsius Lending LLC (8417); Celsius Mining LLC (1387); Celsius Network Inc. (1219); Celsius Network Limited (8554); Celsius Networks Lending LLC (3390); Celsius US Holding LLC (7956); GK8 Ltd. (1209); GK8 UK Limited (0893); and GK8 USA LLC (9450). The location of Debtor Celsius Network LLC's principal place of business and the Debtors' service address in these chapter 11 cases is 50 Harrison Street, Suite 209F, Hoboken, New Jersey 07030.

² Capitalized terms not defined herein shall have the same meanings ascribed to them in the Initial Declaration.

Watson US LLC As Compensation Consultant, Effective as of July 13, 2022, and (II) Granting Related Relief [Docket No. 2726] (the “Retention Application”).

3. Since filing the Initial Declaration, at the request of the U.S. Trustee, WTW has performed an additional conflicts check, in accordance with the procedures (the “Procedures”) more fully described below, to identify any connections or relationship with the individuals and entities on the parties in interest list (the “Potential Parties in Interest”) that was provided to WTW by the Debtors and is attached hereto as Schedule 1.

4. Regarding its Procedures, WTW searched its Client Information System (“CIS”), which WTW maintains in the ordinary course of its business to keep track of current, former, and prospective clients. The CIS contains the names of each client of WTW around the globe, the name of each party that has, or had, a substantial role with regard to the subject matter of WTW’s retention, and the names of the WTW professionals who are, or were, primarily responsible for matters for such clients. WTW used the CIS to search the Debtors’ Potential Parties in Interest list (approximately 2,800 parties) set forth on Schedule 1. After WTW identified all client connections with the Parties in Interest List and any parties with similar names identified in the CIS, WTW emailed WTW personnel listed as contacts for the connected parties to inquire about any potential conflicts regarding these representations. WTW did not receive any affirmative responses to those emails.

5. Listed on Schedule 2, attached hereto, are the results of WTW’s conflicts searches of the entities listed in Schedule 1. WTW confirmed, through follow up searches and other internal investigation, that the client relationships set forth on Schedule 2 are unrelated to the Debtors or these chapter 11 cases.

6. As a result of its Procedures, I have thus far ascertained that, to the best of WTW's and my knowledge, no fact or situation exists that would represent a conflict of interest for WTW with regard to the Debtors. Upon information and belief, if retained, WTW:

- a) is not a creditor of the Debtors³ or an equity security holder of the Debtors;
- b) is not, and has not been, within two years before the date of filing of the petition, a director, officer, or employee of the Debtors; and
- c) does not have an interest materially adverse to the interest of the Debtors' estates, or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

7. Further, as part of its diverse practice, WTW appears in numerous cases and proceedings, and participates in transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who represent claimants and Potential Parties-in-Interest in the Debtors' chapter 11 cases. Further, WTW has performed in the past, and may perform in the future, compensation consultant services for various entities, some of whom may be involved in these proceedings. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Debtors in matters upon which WTW is to be employed, and none are in connection with these cases.

8. To the best of my knowledge, no employee of WTW is a relative of, or has been connected with, the U.S. Trustee in this district or its employees.

³ WTW performed post-petition services for the Debtors in the amount of \$375,000.00 and is seeking payment of such amount in its Retention Application via *nunc pro tunc* relief.

9. WTW does not believe that the supplemental disclosures set forth herein impact its disinterestedness. I reserve the right to supplement WTW's disclosures in the event that WTW learns of any additional information that would require disclosure.

10. If any new material relevant facts or relationships are discovered or arise, WTW will promptly file a supplemental declaration pursuant to Bankruptcy Rule 2014(a).

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.
